CONGRATULATING AIRCRAFT
OWNERS AND PILOTS ASSOCIATION
ON ITS 70TH ANNIVERSARY

SPEECH OF

HON. CANDICE S. MILLER

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 9, 2009

Mrs. MILLER of Michigan. Madam Speaker, I rise today in strong support of H. Res 472, a resolution to congratulate the Aircraft Owners and Pilots Association on their seventieth anniversary, and speak to their dedication to general aviation, to safety, and the important contribution general aviation provides to the United States.

The AOPA was established seventy years ago, on the eve of World War II. This nonprofit association has been dedicated to general aviation, improving general aviation safety, providing pilots with training, education and advocating on their behalf at every level of government.

More than 75% of all flights in the United States are general aviation. America relies on general aviation for business, medical delivery services, sightseeing and for just plain fun and a love of flying.

General aviation is a vital industry in America's economy. Currently there are 19,000 airports nationwide that provide jobs for 1.3 million Americans and bring in more than \$100 billion dollars annually.

After the terrorist attacks of 9/11, the AOPA responded by partnering with the TSA to develop a nationwide Airport Watch Program that uses pilots as eyes and ears for observing and reporting suspicious activity.

Flight Safety has remained a principal focus for the AOPA, so they have supported new technologies to make aviation safer. AOPA was a principle advocate of the GPS navigation systems which helped lead the way for the Next Gen Air Transportation System—with aviation-specific applications and advanced innovations such as weather forecasting.

And today, the AOPA represents more than 289,000 American general aviation pilots—including my husband who is a long time member. He started flying when he was a fighter pilot in Vietnam, and now we fly an RV-8, which he built in our garage.

I am proud to support the resolution to honor the AOPA for the commendable work they do in the aviation field.

Their dedication to aviation, aviation safety, training general aviation pilots, and to new technologies makes me proud to support this association.

Congratulations on your first 70 years.

Victoria was very involved with the East Paulding band program, and has continued to excel in music at the Merchant Marine prep school—participating in the marching, concert, and regimental bands. She also has the honor of being a Silver Taps bugler.

Victoria Hayes is an incredibly well-rounded young woman, and I am honored to have the privilege to nominate her for an appointment to the U.S. Merchant Marine Academy.
